- The tasks will be completed under supervision.

Instructions for tasks

Observation Task 1 – Install an app

You must find and install an app.

The app must be one that you can use to help you plan the party.

When the app is installed, you must apply two system settings.

One of these system settings must be for 'accessibility'.

Observation Task 2 – Video call

You need to make a video call.

The call must last for at least 30 seconds.

Your Assessor has given you a number to call.

Choose a suitable application to make a video call.

Use the number you have been given to make the call.

You need to speak to the person about the party.
